"Mona" Animation

May 2022, "Mona," animation. Position: storyboard artist, animator, drawer. An animation created using Procreate, is about a young girl with depression, overcoming her inner fears, embracing the colorful world, and finally awakening from her nightmares. Made in "Time-based Media," Beijing Normal University-Hong Kong Baptist University United International College, Zhuhai, Guangdong, China.

In the video, the colorful objects are actually Mona's happiness triggers, set against a black and white nightmare. She's trapped in her own negative emotions and is tempted to destroy these objects representing happiness and positivity. It's only when she encounters the colorful kitten that she realizes what is good and bad. By eliminating the embodiments of her negative emotions, she truly awakens, reclaiming her joyful self.
